You will be presented with the sign in for G Suite:

Log on detail format is as below:

Username: <<SchoolUsername>>@thurcroft.academy

If you have accessed the school network in the past couple of days and changed your password, this is what it will be. If not, then the default password would be **Password123**.

Once signed in, you will be presented with your Personal Google Drive. You will need to navigate to the Shared Drives to access the Online Student Resources

From here, you should have access to all provided online resources. Drive names may differ from what is displayed below.
