History Day - Friday 9th February 2024

Dear Parent/Carer,

We are very excited about hosting History Day this half term. This will provide a fantastic opportunity for the children to celebrate their learning in History, reflecting on the discussions they have had, research they have completed and work they have produced. Every year group has been studying a different History topic - as part of the day they will get to see what the other year groups have been busy learning about. We will all also be spending some of the day delving into the local history of Thurcroft.

During the day, your child will take part in a range of interesting activities which will help build upon their knowledge, consolidate their learning and develop their skills. To help the children feel fully immersed in the day, we are inviting them to attend school in a fancy dress costume linked to their history learning. Please note if your child chooses not to wear fancy dress, then they should wear their school uniform as usual.

We really hope the children are excited for the day, we can't wait to see them all in character with their historical costumes!

Yours sincerely,

Ruth Stone
Principal

All adults in school have a responsibility to safeguard and promote the welfare of children.

History Topics
