

## Partnership for the Inclusion of Neurodiversity in Schools (PINS)

# SENSORY WEBINAR EVENTS

As part of the Partnership for the Inclusion of Neurodiversity in Schools (PINS) project, Sadie Charlton (Sensory Occupational Therapist, Rotherham Sensory Pathway) is delivering a series of free online workshops for school staff and parents/carers involved in the project. Each one-hour session explores a different sensory topic designed to help adults understand and support children's sensory needs.

- All sessions are delivered live via Microsoft Teams.
- Register to attend by clicking the event link below.
